

STATINTL THE DEPUTY DIRECTOR OF CENTRAL INTELLIGENCE

7 July 1976

Dear Bob:

Thanks so much for your letter concerning my designation as DDCI. I have very good recollections of our working relationship at NPIC when you were so helpful in keeping us informed of the relationship of eyes and mind to the photo-interpretation process.

The future in CIA will be full of opportunities as well as problems. And with the support, understanding, and friendship of professionals like yourself, I am sure the future will be a rosy one.

All the best.

Faithfully yours,

E. H. Knoche
